

AC GFCI Receptacles AG1000 Specifications

Receptacles Specifications	
Part Number	<u>AG1000</u>
Output Voltage	125VAC
Output Type	Receptacle Black
Output Current	15A Maximum
GFCI	Yes
Mounting	Panel Mount or 35mm DIN Rail
Wire Capacity	14–12 AWG
Wire Strip Length	6–7 mm
Tightening Torque	0.51 N·m (4.5 lbf·in)
Operating Temperature	0–60°C (32–140°F)
Circuit Temperature	None
Wire Type	Copper or Copper Clad
Housing Material	PA66/6, Nylon
Weight	230g (8.11 oz.)
RoHS Compliant*	No
Agency Approval	UL 508 file E139594, Canada & USA

* Currently RoHS receptacles aren't offered in US market. Should this requirement change, outlets could become RoHS compliant.
